

Greetings from Big Bear,

Welcome to the first collaboration of the Bog Bear Valley Renaissance Society, Inc. and the Old Miners Association. We are working together to bring you the combined event, **1800's Country Fair & Loggers Jubilee.** The event will be July 18 & 19, 2009. We are very excited to host this event at our site, the historical Pedersen's Mill. Event hours are 11 am to 6 pm Saturday and 11am to 5pm Sunday. On Saturday the 18th there is a Do Dah Parade in the town of Fawnskin to start the days events. All are welcome to participate!

The event will be a production of the Big Bear Valley Renaissance Society, Inc., a 501 © 3 non-profit, educational corporation, and the Old Miners Association, also a 501 © 3 corporation.

Lynda McGinnis C.E.O. and founder of the Big Bear Valley Renaissance Society, inc., chose to form a non-profit corporation to pursue her goals of providing educational funds directly to students and teachers. To accomplish this, all profits outside of those to maintain the events are devoted to education. Those of us working with Lynda share her dreams and goals of better education here in our valley.

We hope you will be able to join us in this new and exciting collaboration. We hope to create the kind of atmosphere that makes coming to our events a truly enjoyable experience that you anticipate year after year. The site will be set up to cover both American Old West and English Victorian with vendors and entertainment of both as well! Of course the Loggers Jubilee events will be the foremost entertainment in the arena area with contests going on all day. I will be sending out more info on those so you can hone your logger skills!

If you need help with costuming please give me a call. Please note the new office number, 909-237-0448 or my cell 951-202-2232

It has been brought to my attention that some vendors do not read the application before signing and sending it in. That created a little problem and some hard feeling last year, when we had to "remind" a few people of what their contract said and even bring it out to show them what they had signed. Please remember that there is a reason for these applications, I try to cover everything in them. I know it's lengthy, but better lengthy now so you don't have any surprises later.

Please carefully read the application as it has lots and lots of information, and we really need the specific information we ask for, to be able to best meet your needs. Please remember to be specific on what your special needs might be as there will be ABSOLUTELY NO changing of spaces after the site plan has been finalized.

THERE IS NO WATER OR ELECTRICITY AVAILABLE ON SITE!!

I look forward to seeing all of you at our Festival.

Regards,

Lynda McGinnis
